The Volunteer Center  
of Waukesha County  
Invites You To  
*A Make Believe  
Mother's Day Tea*

  
Sunday, May 13, 2001  
at 3:00 p.m.

*On Mother's Day please join with me  
to have a special cup of tea.  
At three o'clock that afternoon  
please gather a saucer, cup and spoon.  
No leaving home, no dressing up,  
just place this tea bag in your cup.  
I'd like your time to please  
reflect, what volunteers do  
and their positive impact.  
Our party is make-believe and  
I hope you'll take part, and send  
a gift that comes from the heart.*

*Warmly,*

The Volunteer Center of Waukesha County is the leading volunteer agency devoted to matching the interests, skills and talents with the human service needs of Waukesha County.

The Volunteer Center of Waukesha County made over 15,000 referrals to volunteers in 2000 amounting to thousands of hours of service annually. The issues that the Center's volunteers impact are: domestic violence, juvenile crime, elderly isolation and basic living assistance, hunger, unplanned pregnancy, injured and sick animal rehabilitation, low-income families, sick children, disease prevention, and more.

The dollars saved by Waukesha County, by the amount of hours volunteers donate, averages approximately one-million dollars annually.

Your gift will support the work of The Volunteer Center of Waukesha County and continue to meet its human service needs.
