

A  
Very Short

(but true)

Story

(read the ending - it's a must!)

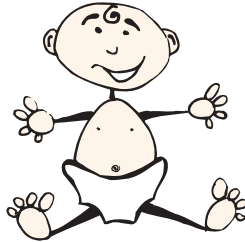

Once upon a time  
there was a company called

FOX IN A BOX

Oct. 29

One day FOX IN A BOX  
announced it would be  
taking a sabbatical  
for the remainder of 1999

(last day of work is Oct. 29)

FOX IN A BOX exclaimed

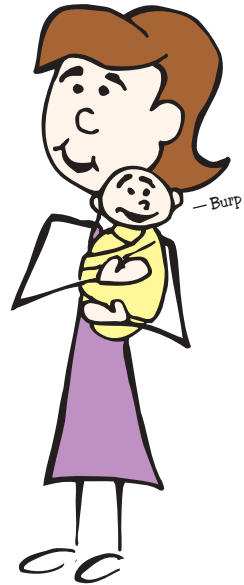

We have exciting news!

The company is expanding

(I'm becoming a mom)

We'll be learning  
new skills

(diaper changing,  
feeding, burping)

New Equipment is being installed  
(cribs, swings, strollers)

FOX IN A BOX assured  
its clients that operations  
would resume in January 2000

(you'll receive a notice in the mail)

And everyone lived  
happily ever after

The END
